

UWF Projects by Anticipated Bid Date

UW Facilities

Report as of: 8/28/2025

The Project Delivery Group is committed to sharing information about upcoming opportunities to do business with the University. The list below reflects solicitations currently in the planning and development stages and the date we anticipate advertising.

This list is not exhaustive and additional opportunities will be added on a quarterly basis. All upcoming and anticipated solicitations are subject to revisions or cancellation without notification.

Further details on these projects are not available at this time. Prospective bidders are kindly requested not to inquire beyond the published information. Firms are cautioned that PDG staff cannot share additional information on the upcoming opportunities.
