# CONSTRUCTION BULLETIN

## UW Medicine Behavioral Health Teaching Facility

1550 N 115th St. Seattle, WA 98133

Rendering of BHTF, SRG Partnership

The purpose of this bulletin is to inform staff, patients, visitors and the neighbors close to the University of Washington Medical Center Northwest campus about the Behavioral Health Teaching Facility (BHTF) construction project. This bulletin will be published quarterly during the design phase and monthly during the construction phase. Please see the webpage for more information about the project, construction logistics and the milestone schedule. <https://facilities.uw.edu/projects/behavioral-health-teaching-facility>

### CONSTRUCTION ACTIVITIES

The building is weather enclosed including installation of all windows. The project is tracking towards completing the final façade finishes by spring 2023. Interior framing, and overhead rough in of mechanical, electrical, plumbing, and other equipment is ongoing. When needed, crews may work on Saturdays between 9am and 6pm in accordance with the approved Construction Management Plan. We appreciate your patience with potential noise disturbance.

The photo below was taken on December 22nd showing the start of electrical rough-in throughout the building

### PROJECT OVERVIEW

The new Behavioral Health Teaching Facility will be a one-of-a-kind fully integrated welcoming and healing environment for individuals struggling with serious physical and behavioral health problems. The building will support a full continuum of clinical services ranging from effective medication management and psychotherapies to state-of-the-art neuromodulation treatments, medical and surgical care for individuals with medical and behavioral health disorders. The building will also become the home for an interdisciplinary training and workforce development program that is focused on preparing and supporting the next generation of behavioral health providers for Washington State.

If you have any questions about the upcoming work at UWMC Northwest, please feel free to contact us and we would be glad to provide any additional information.
