The purpose of this bulletin is to inform staff, patients, visitors and the neighbors close to the University of Washington Medical Center Northwest campus about the Center for Behavioral Health and Learning construction project. This bulletin will be published quarterly during the design phase and monthly during the construction phase. Please see the webpage for more information about the project, construction logistics and the milestone schedule. https://facilities.uw.edu/projects/behavioral-health-teaching-facility

CONSTRUCTION ACTIVITIES

Building construction is complete. The remaining work includes completion of minor site finishes and removal of construction materials and equipment. Street improvements to N 115th and to N 120th Street will continue through the Spring of 2024. Public parking on N 120th Street is closed for street improvements. Flaggers will be present during road closures due to construction activities and the roads will be fully open when work crews are off site.

We appreciate your patience with potential traffic and noise disturbance.

The photo below shows the new level four activity terrace.

If you have any questions about the upcoming work at UWMC Northwest, please feel free to contact us and we would be glad to provide any additional information.
