SUMMARY OF UPCOMING ACTIVITIES (April 15 - May 30, 2024)

The project is continuing with the installation of underground utilities and finishing up the abatement removal inside the Pavilion Pool building. As this works progresses, you can expect to see vac-trucks and excavators being used within the site as the utilities are being installed. Additionally, the band room remodel is starting up and the project team is getting ready for the start of the Pavilion Pool building demo, which happens at the end of May.
