The purpose of this bulletin is to inform staff, patients, visitors and the neighbors close to the University of Washington Medical Center Northwest campus about the Center for Behavioral Health and Learning construction project. This bulletin will be published quarterly during the design phase and monthly during the construction phase. Please see the webpage for more information about the project, construction logistics and the milestone schedule. https://facilities.uw.edu/projects/behavioral-health-teaching-facility

CONSTRUCTION ACTIVITIES

The building is on track for completion by the end of January. Site improvements to the campus loop road, parking lots C, D and N 120th Street are progressing and some landscaping may continue through the Spring of 2024. Commissioning of the generator, asphalt paving and large vehicles may sporadically emit odors that may travel beyond the hospital campus. Public parking on N 120th Street is closed for street improvements. Flaggers will be present during road closures due to construction activities and the roads will be fully open when work crews are off site.

When needed, crews may work on Saturdays between 9am and 7pm in accordance with the approved Construction Management Plan. We appreciate your patience with potential traffic and noise disturbance.

The photo below is of the progress of the main lobby art installation.

If you have any questions about the upcoming work at UWMC Northwest, please feel free to contact us and we would be glad to provide any additional information.
