

UNIVERSITY OF WASHINGTON
DETERMINATION OF NON-SIGNIFICANCE

Date: September 12, 2024

Lead Agency: University of Washington

Description of Proposal: The proposed University of Washington ASUW Shell House project is intended to provide select interior and exterior renovation to further preserve the historic building and improve building systems (mechanical, electrical, plumbing, heating, ventilation, and structural), and ADA access. NPS and Landmarks design review and approval included.

Location of proposal, including address, if any: The project site is at the eastern edge of campus near the Waterfront Activities Center and Montlake Cut ship canal.

Pursuant to the provisions of WAC 197-11-340 and WAC 478-324-140, the University of Washington hereby provides public notice of determination of non-significance.

The comment period will end September 26, 2024.
