

AUGUST 2024

Construction Bulletin T-Wing Renovation

Warren G. Magnuson Health Sciences Center
Ø1959 NE Pacific St, Seattle, WA 98195

Level 6 Skills Lab

The vision for health science education at the University of Washington is dependent upon creating effective spaces that encourages formal and informal interaction among students, faculty, and staff from all six health science schools.

This project will invest in the critical renovation scopes that advance inter-professional instruction and educational technologies essential to meeting current and future accreditation for each of the six health sciences schools.
