Kabri Lehrman-Schmid
Project Superintendent, General Contractor
516.633.0798 | kschmid@henselphelps.com

NOISE:

- 10/23-10/27 General site equipment use, including concrete chipping and deck formwork
- 10/23-10/28 Night shift excavation + vac trucks on/around site for utility excavation.
- Work on Jefferson Rd at Work Zone C

ODOR:

- Porta-jons are serviced 2x a week @ Gate 1, 2 and Gate 4

SEE ATTACHED MAP FOR UPCOMING
ROADWAY AND PARKING IMPACTS

UTILITY SHUTDOWN REQUESTS (USR):

The USR application is the UW process by which the IEB construction team requests UW Facilities & Engineering support to conduct planned utility shutdowns

NOTICE OF WORK IMPACTS:

The NOW application is a process proposed by the IEB construction team to notify our neighbors of planned impacts to operations – like road closures or outages.

8/29 NOW-026 – Jefferson Rd and Annex #4/6
Impacts for IEB Civil Utilities

→ 10/23 – WORK TO TAKE PLACE INSIDE THE
SITE AND IN WORK ZONE C THIS WEEK

11/02 NOW-030 – Jefferson Rd. Closure for
Concrete Deck Placement

11/14 NOW-031 – Jefferson Rd. Closure for
Concrete Deck Placement

11/18 NOW-XXX – Jefferson Rd. Closure for
Material Hoist Delivery

PROJECT MILESTONES:

- October 2023 – Site Utilities Tied-In
- November 2023 – Final Concrete Decks Placed
- December 2023 – Misc. Metals/Steel Install Begins
- January 2023 – Roofing Begins

ROAD CLOSURES/CONCRETE PLACEMENTS:

- Upcoming utility connection installation (Water, SD and SS) will impact Jefferson and Annex parking on a night shift (7p-5a). Roadway closures and any required parking impacts to be coordinated with building tenants daily.
- 11/02, 11/14 Concrete placement road closures (see NOWs)

If you have any questions about the ongoing work at UW IEB, please feel free to contact our team and we would be happy to provide additional information.
