WHEREAS, the Landmarks Preservation Ordinance, Chapter 25.12 of the Seattle Municipal Code (SMC), establishes a procedure for the designation and preservation of sites, improvements, and objects having historical, cultural, architectural, engineering, or geographic significance; and

WHEREAS, the Landmarks Preservation Board ("Board"), after a public meeting on July 18, 2018, voted to approve the nomination of the improvement located at 4105 Memorial Drive NE and a portion of the site on which the improvement is located (which are collectively referred to as the "University of Washington Parrington Hall") for designation as a landmark under SMC Chapter 25.12; and

WHEREAS, after a public meeting on September 5, 2018, the Board voted to approve the designation of the University of Washington Parrington Hall under SMC Chapter 25.12; and

WHEREAS, on November 21, 2018, the Board and the University of Washington Parrington Hall's owner agreed to controls and incentives to be applied to specific features or characteristics of the designated landmark; and

WHEREAS, the Board recommends that the City Council enact a designating ordinance approving the controls and incentives; NOW, THEREFORE,
BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Designation. Under Seattle Municipal Code (SMC) 25.12.660, the designation by the Landmarks Preservation Board ("Board") of the improvement located at 4105 Memorial Drive NE and a portion of the site on which the improvement is located (which are collectively referred to as the "University of Washington Parrington Hall") is acknowledged.

A. Legal Description. The University of Washington Parrington Hall is located on the property legally described as:

Those portions of Government Lots 2, 3, and 4, lying west of Montlake Blvd NE, north of NE Pacific Street and north of NE Pacific Place; the west 1/2 of the northwest 1/4, and the northwest 1/4 of the southwest 1/4, lying east of 15th Avenue NE and south of NE 45th Street and north of NE Pacific Street; all in Section 16, T25N, R4E, W.M.

B. Specific Features or Characteristics Designated. Under SMC 25.12.660.A.2, the Board designated the following specific features or characteristics of the University of Washington Parrington Hall:

1. The exterior of the building.
2. The interior room volumes and skylights of the third-floor east and west lecture spaces.
3. A portion of the site around the building perimeter measured 30 feet horizontally from the base of the building. For purposes of this measurement, the "base of the building" excludes the building’s south entry stair, the landing at the top of those stairs, and the structure supporting the stairs or landing.

C. Basis of Designation. The designation was made because the University of Washington Parrington Hall is more than 25 years old; has significant character, interest, or value as a part of the development, heritage, or cultural characteristics of the City, state, or nation; has
integrity or the ability to convey its significance; and satisfies the following SMC 25.12.350 provisions:

1. It is associated in a significant way with a significant aspect of the cultural, political, or economic heritage of the community, City, state, or nation (SMC 25.12.350.C).

3. It is an outstanding work of a designer or builder (SMC 25.12.350.E).

4. Because of its prominence of spatial location, contrasts of siting, age, or scale, it is an easily identifiable visual feature of its neighborhood or the City and contributes to the distinctive quality or identity of such neighborhood or the City (SMC 25.12.350.F).

Section 2. Controls. The following controls are imposed on the features or characteristics of the University of Washington Parrington Hall that were designated by the Board for preservation:

1. Except as provided in subsection 2.A.2 or subsection 2.B of this ordinance, the owner must obtain a Certificate of Approval issued by the Board according to SMC Chapter 25.12, or the time for denying a Certificate of Approval must have expired, before the owner may make alterations or significant changes to the features or characteristics of the University of Washington Parrington Hall that were designated by the Board for preservation.
