

UNIVERSITY OF WASHINGTON
DETERMINATION OF NON-SIGNIFICANCE
ADOPTION OF EXISTING DOCUMENT

Date: July 7, 2022

Lead Agency: University of Washington

Description of Proposal: The proposed University of Washington Site W27 Building is intended to create a new academic building in West Campus for student and faculty collaboration spaces, laboratories, classrooms and offices.

Location of proposal, including address, if any: 3919 University Way NE. The site is bounded by the Ethnic Cultural Theater to the north, University Way NE to the east, NE Pacific Street to the south, and Brooklyn Avenue NE to the west.

Title of document being adopted by reference: University of Washington 2018 Seattle Campus Master Plan Final Environmental Impact Statement

Date adopted document was prepared: June 2017

Description of document being adopted by reference: The Seattle Campus Master Plan guides development on the Seattle Campus and includes guidelines and policies for new development on the campus. It is formulated to maintain and enhance the fundamental mission of the University; its multiple important roles in undergraduate and professional education, and its dedication to research and public service. The Draft and Final EIS for the master plan analyzed the potential impacts of all identified development sites.

The adopted document is available at: <https://facilities.uw.edu/files/media/uw-cmp-final-eis-volume-1.pdf>

As lead agency, we have identified and adopted this document as being appropriate for this proposal after independent review. This proposal and site is consistent with the Campus Master Plan. It has been determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after adoption of the 2018 Seattle Campus Master Plan EIS for the project and preparation and review of a SEPA consistency checklist.

This DNS is issued under WAC 197-11-340(2). The comment period will end July 21, 2022.

Responsible Official: Julie Blakeslee, AICP, Environmental & Land Use Planner
