| 2.1  | **Question:** Are you looking for full teams to submit proposals (including architects, structural, MEP subconsultants, etc.) or do you prefer structural and other engineering subconsultants to submit proposals under a later RFQ?  

**Answer:** We prefer subconsultants to submit proposals separately from this solicitation. This RFQ is focused on the qualifications of the primary firm who will be performing the on-call services. |
| 2.2  | **Question:** The RFQ lists items A through F, but does not include an Item D. Is there an Item D?  

**Answer:** The RFQ is amended as follows to correct the *Submittal Requirements and Evaluation Criteria, Cover Letter* section:  
A. Acknowledge that you will accept the Terms and Conditions AND have reviewed any addenda issued to the RFQ, as posted on the University’s website.  
B. The name and contact information of the individual in your firm that the University should contact regarding questions about your SOQ. The contact information should include: name of Page 3 of 7 RFQ: A/E Services - Healthcare individual, title, firm name, address, telephone number, and e-mail address. |
C. Discuss your firm’s historical workload.
D. Discuss your firm’s financial and organizational stability.
E. If the firm has multiple offices, identify the office that will manage and administer the projects, as well as the office that will develop the services requested.

2.3 **Question:** The RFQ requests respondents “provide examples of four (4) HC projects completed in the last five (5) years. Each project presented should be of a budget of less than five million dollars, with a project duration of 1-2 years. Include the name and type of healthcare facility for each.” Is the “budget” the final constructed cost of the facility, design cost, or the actual fee received by the consultant?

**Answer:** The final construction cost.

2.4 **Question:** Our office is located in Portland, OR. Because of that, would we be eliminated from consideration? Is there an expectation of having a local office to service this requisition? Would we eliminated from consideration if we do not have a local office I appreciate your feedback.

**Answer:** Firms will not be eliminated from considered if they do not have a local office, but will be expected to explain how they plan to support the on-call services requested for projects taking place in UW facilities located in the Seattle area. Availability of staff and key personnel will be a factor in the decision.

2.5 **Question:** Do we need to include subconsultants’ resumes and show them in an org chart?

**Answer:** No, see response to 2.1.

2.6 **Question:** Are you selecting structural engineering independent of architecture or is this meant to be a full service A/E team?

**Answer:** See response to 2.1.

2.7 **Question:** Do we need to include subconsultants’ resumes and show them in an organizational chart?

**Answer:** No, see response to 2.1.

2.8 **Question:** Are you able to provide a list of the current incumbents on the Master Agreement for On-Call Architectural and Professional Services - Healthcare Facilities?

**Answer:** UW currently has on-call Architectural and Professional Services Agreements in place, but not with a specialty focus in healthcare programming and design. This is a request for a new category of service.

2.9 **Question:** There is a potential discrepancy regarding the term of the Master Agreement. Will the term of the Master Agreement to be 2 or 3 years?

**Answer:** The term will be 3 years, with the option for one 2-year extension.

2.10 **Question:** Within the RFQ page 3, Submittal Requirements and Evaluation Criteria, section 2—Experience and Past Performance, there may be a discrepancy about the number of example projects to be identified in the SOQ, as follows:

- Section A indicates (4) projects while section B indicates (5) projects.

<tr>
<td>Is the SOQ to contain 4 or 5 example projects?</td>
<td><strong>Answer:</strong> <em>Submittal Requirement and Evaluation Criteria</em>, Item 2A, requests 4 examples of past projects. The intent is for the consultant to provide examples of their work in healthcare design. Item 2B requests 1 project where consultant specifically provided professional services in the areas of programming and concept development services, for a total of 5 project examples.</td>
</tr>
<tr>
<td>2.11 Question: Will this agreement involve any campus planning components?</td>
<td><strong>Answer:</strong> Yes. This RFQ scope includes Professional Services, of which facility planning and programming services may be requested of selected consultant(s).</td>
</tr>
<tr>
<td>2.12 Question: Is brand/wayfinding included in the scope?</td>
<td><strong>Answer:</strong> No.</td>
</tr>
<tr>
<td>2.13 Question: Will all projects be design-bid-build, or are there opportunities for other types of project delivery methods?</td>
<td><strong>Answer:</strong> The project delivery methods for any resulting contract(s) from this RFQ include design-bid-build, JOC, and pre-design services on GCCM and D/B projects.</td>
