

APPENDIX B

Prevailing Wage Rates Information

Washington State Department of Labor and Industries

The applicable effective prevailing wage rates for this Project are determined by (a) the **bid submittal** date, and (b) the **county** where the Project is located.

The applicable effective date for prevailing wage rates for this Project is the date of bid submittal specified in Section 00 11 00, or as modified by any subsequent addenda.

The County where this Project is located is: King

Current prevailing wage rate information, including the applicable Benefit Code Key, may be obtained through the following sources:

Online from the Washington State Department of Labor and Industries at:
<https://lni.wa.gov/licensing-permits/public-works-projects/prevailing-wage-rates/>.

Hard Copies may be obtained upon request from the University of Washington Project Delivery Group at:
Cindy Magruder, Project Integrator Manager
Project Delivery Group
University of Washington
University Facilities Building
Box 352205
Seattle, WA 98195-2205

Email: magruder@uw.edu
Phone: (206) 221-4396
