<b>Project Title</b>	Health Sciences Education Building	<b>CPD Project #</b> 205296
<b>Project Manager</b>	Julie Knorr – Project Delivery Group, UW Facilities	
<b>Account Manager</b>	Ian Fournie – Capital & Space Management, UW Facilities	
<b>Design Team</b>	Contractor – Lease Crutcher Lewis Architect – Miller Hull Partnership Landscape Architect – Gustafson Guthrie Nichol	
<b>Project Phase</b>	Design Preconstruction / Early Construction	
<b>Goals &amp; Objectives</b>	<p>Create a Health Science Education facility with flexible spaces, modern technologies, and a broad array of environments that adapt to the changing pedagogical needs of the Health Sciences and enable active and team-based learning.</p> <ul style="list-style-type: none"><li>• Create a hub for the Health Science education and training that fosters interaction, collaboration, and creativity for students and the health professional community.</li><li>• Build a centrally located Health Sciences Education Building utilizing the unique adjacencies of research, academic, and clinical programs to train future health professionals in support of affordable, accessible, and high quality 21st Century health care.</li><li>• Maintain the outstanding performance of UW’s Health Science schools by attracting and retaining the best health and health care professionals to serve the State of Washington.</li></ul>	
<b>Project Scope</b>	Approximately 96,000 GSF, the Health Sciences Education Building will create flexible spaces, leverage modern technologies, and generate a broad array of environments that can adapt to changing pedagogical needs of the interdisciplinary Health Sciences. The program also includes a fully built out space for an anatomy lab. The centrally located building will create a student hub for the Health Science Schools, utilizing the unique adjacencies of research, academic, and clinical programs to train future health professionals and maintain the outstanding performance of UW’s Health Science schools.	
<b>Target Budget</b>	\$100,623,000, pending State Capital Budget approval	
<b>Schedule</b>	Project Definition	December 2019 – June 2019
	Design & Preconstruction	July 2019 – October 2020
	Construction	April 2020 – May 2022
<b>Delivery Method</b>	Integrated Design-Build
