### Definition of Serious Health Condition (adult) and Treatment or Supervision (child)

**For an adult** a Serious Health Condition is defined as:

1. An illness, injury, impairment, or physical or mental condition that involves any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, and any period of incapacity or subsequent treatment or recovery in connection with such inpatient care;
2. Continuing treatment by or under the supervision of a health care provider or a provider of health care services and which includes any period of incapacity (i.e., inability to work, attend school or perform other regular daily activities).

**For a child** Treatment or Supervision is defined as:

1. Any medical condition requiring treatment or medication that the child cannot self administer;
2. Any medical or mental health condition which would endanger the child's safety or recovery without the presence of a parent or guardian; or
3. Any condition warranting treatment or preventive health care such as physical, dental, optical or immunization services, when a parent must be present to authorize and when sick leave may otherwise be used for the employee's preventive health care.
