Monthly Meeting Topics – 2024

The topics listed below must be addressed in the meeting held each month. Monthly topics related to safety that are not applicable to any of your employees do not need to be covered.

Record the meeting, its topics, and attendance on the meeting sign-in sheet. Be sure that names are legible, that the sign-in sheet includes the topics covered, and who facilitated the meeting. **Sign in sheets must be retained by the department for six years from the date of the meeting.**
