

## Job Hazard Analysis

University of Washington – Seattle Campus  
Facilities Services – Campus Energy, Utilities & Operations

Seattle, WA 98195

Working Job Title: Executive Director of CEUO

JHA Completed by CEUO Safety Engineer

Date: 07/2022

The Job Hazard Analysis form is designed to help supervisors assess and address health and safety hazards that have the potential to cause serious injury or illness (e.g., power tools, electrical repairs). Supervisors can use this document to train staff on safe work procedures.

The information below is a good faith effort to identify hazards encountered by the Executive Director of CEUO.

The baseline training requirements for this position are:

- Asbestos General Awareness Online
- HazCom Training Online
- Ergonomic Online training (optional)
- Covid-19 Safety Training: Back to the Workplace

This document will serve as the certification of hazard assessment for personal protective equipment for the above working job title position.
